

Moving You in New Directions... *Worldwide!*

For over half a century Lile has safely and securely moved people, businesses and products throughout the Pacific Northwest. Our team of highly trained professionals consistently deliver an exceptional relocation experience by exceeding the quality and service expectations of our customers.

Specialized Logistics Services

Lile is a worldwide leader in logistics for high-value products and sensitive commodities requiring specialized handling. Lile's Logistics Services division consists of a network of knowledgeable people, advanced technology and specialized equipment all focused on providing you with the best service available in the industry.

Lile is an equity partner in Specialized Transportation Incorporated (STI), a full service logistics and transportation company focused on high value, high touch products and associated services. STI's fleet includes nearly 600 air ride trucks. Lile also offers Less-than-Truckload, and Truckload services which extends our logistics and relocation capabilities throughout North America.

Lile Logistics Services currently works with companies in the medical, communications, computers, robotics, office and industrial equipment, fine art and trade show business segments, and is pleased to offer the following value added services:

- Vehicles equipped with lift gate, van equipment and stair crawlers
- Variety of equipment sizes allowing us to access any location
- Inventory control process based on our customer's needs including use of bar codes
- Customer visibility to inventory via use of Internet tools
- Next day & same day service to our local distribution customers
- Arrangement for UPS, DHL or other carrier shipment of products
- Will-call services for our storage customers
- Neat, uniformed crews equipped & trained for inside pick-up or delivery

The vast resources of the Lile Logistics Services network provide you with distinct advantages in pricing, coverage, and dependability for any sized Item.

Lile Logistics Services... Quality, Service, Value
